ENTRANCE TEST FOR B.ED PROGRAMME

INFORMATION HANDOUT FOR ENTRANCE EXAMINATION

Dear Candidate,

This booklet contains the sample question paper and other related information for Entrance Test for admission to B.Ed Programme of this University. You will be given a test booklet containing 100 objective type multiple choice question and a specifically designed OMR response sheet in the examination hall. You will notice from the sample test paper that it is different from the usual School/College examinations. It is, therefore, necessary for you to know in advance about the type of questions and the way in which you are required to answer them. This handout will help you in this respect.

STRUCTURE OF THE ENTRANCE TEST PAPER FOR B.ED.

The test paper will consist of two parts A & B. The total number of test items will be 100 of one mark each. Maximum Marks allotted to the test is 100. The composite time for the complete test is **Two Hours.**

	Aspects Questions	No. of	Marks
Part -A			
Section I	General English Comprehension	10	10
Section II	Logical & Analytical Reasoning	20	20
Section III	Educational & General Awareness	25	25
Section IV	Teaching-Learning & the School	25	25
Part - B	* Subject Competence (any <i>one</i>)	20	20
Section V	i) Science ii) Mathematics iii) Social Studies iv) English v) Hindi		

- * **Note:** 1. *Any one subject is to be attempted from Part-B.*
2. *The test items of Part-B i.e. Subject Competence will be based in the curriculum of IX/X classes prescribed by the NCERT/CBSE.*

The number of questions in each section is indicative of general scope and design of the question paper. However, the actual question paper might some-what vary in its contents, their distribution and their level of difficulty.

All the above test items will be given in a composite test booklet, which will be printed in English and in Hindi. You may attempt the test in any order you like. Since the questions in the test Booklet are objective type, answers are not required to be written in words or sentences. For each question, there

are four answer choices suggested and only one of them is right. You have to select in right answer from amongst the given answer. **In case you find that non of the four alternatives is correct, you have to mark '0'.**

HOW TO FILL UP THE INFORMATION ON THE RESPONSE SHEET

At the end of this handout a sample response sheet is given. You may fill up your own information in this answer sheet so that you may correctly fill up the actual examination answer sheet in the examination hall. While filling up the OMR response sheet you should follow the following guidelines:

1. Write your complete enrolment no. in 9 digits. This should correspond to the enrolment number indicated as on your Hall Ticket. Also write your correct name, address with pin code in the space provided. Put your signatures on the response sheet with date in ink. Ensure that the Invigilator in your examination hall also puts his signatures with date on the OMR response sheet at the space provided. You should use only HB pencil to mark the answers to the questions on the OMR response sheet. **Do not use pen.**
2. Do not make any stray marks on the response sheet.
3. Write correct information in numerical digit in Enrolment No. and exam. centre code columns. The corresponding rectangle should be dark enough and should be filled in completely. For example, suppose your enrolment number is 145786159. Examination Centre Code is 0101. This information is indicated in sample answer sheet.
4. Each question is followed by four probable answers which are numbered 1,2,3 & 4. You should select and show only one answer to each question considered by you as the most appropriate or the correct answer. Select the most appropriate answer. Then by using HB pencil, blacken the rectangle bearing the correct answer number against the serial number of the question. If you find that answer to any question is none of the four alternatives given under the question you should darken the rectangle '0'.
5. If you wish to change your answer, ERASE completely the already darkened rectangle by using a good quality eraser and then blacken the rectangle bearing your revised answer number. If incorrect answer is not erased completely, smudges will be left on the eraser rectangle and the question will be read as having two answers by the Optical Mark Reader (OMR) and will be ignored for giving any credit.
6. No credit will be given if more than one answer is given for one question. Therefore, you should select most appropriate answers.
7. You should not spend too much time on anyone question. If you find any particular question difficult, leave it and go to the next. If you have time left after answering all the questions, you may go back to the unanswered ones.
8. There may be negative marking for wrong answers.

GENERAL INSTRUCTIONS

1. No calculators, books, slide-rules, foot-rules, note-books or written notes, etc. will be allowed inside the examination hall.
2. You should follow the instructions given by Centre Superintendent and by Invigilators at the examination venue. If you violate the instructions you will be disqualified.
3. Any candidate found copying or receiving or giving assistance in the examination will be disqualified.

PART-A

SECTION-I : GENERAL ENGLISH COMPREHENSION

Directions: Read the following passage carefully and choose the best answer out of the four choices given after each question that follows :

“The Tower” is a poem written by Yeats. It has three parts that correspond to three stages of life, or three modes of relating to the world, but not in a scheme as simple as youth, adulthood and old age. Rather, the first and third parts or the first and third poems in a three poem sequence chart the internal experiences of an accelerating mind within a decelerating body. The second part is a more external reminiscence, passing elegiacally over the lore of the land. The dying poet is taking a nostalgic survey of this work. The first and third parts take place within a dreaming mind, while the second takes place within the dream.

If we think of this poem as a ceremony, the first part senses that the end is near, but is not ready to face it; the second part is a preparation ritual, and the third arrives at readiness and passes into nothing. If this passing is to have any meaning, the poet must propel himself enthusiastically into the next world rather than fall, withered and bedraggled, out of this one. To do so, he must find the memories in which he was most alive, may be ones that still hurt the most. These moments were truly his, and so are truly his to leave behind.

 - (1) keep away death
 - (2) become a poet
 - (3) regain memories
 - (4) leave this world with significance
